

22 Bhutan

Pray for our Dzongkha language radio pastor as he shares the gospel in this small Bhuddist nation where the government actively opposes anything non-Bhuddist. Contact with interested listeners requires secrecy and involves risks.

23 India

Covid restrictions hindered our partners in India from conducting group discipleship meetings, compassion ministry activities and social work throughout most of 2020. Ask God to open the door to fully resume these multiple outreaches that reinforce and add impact to the Gospel message people are hearing on the radio.

24 Afghanistan

Praise God for opening the door and bringing together a ministry team to produce and air two Dari language programs each week. Pray for safety and success as the team follows up with listeners in a volatile anti-Christian atmosphere.

25 Thailand

Pray for the Isaan Christian Media network of 6 organizations jointly producing Christian media resources in the Isaan language. Their goal is to make evangelistic audio and video material more widely available so that more of the Isaan people can hear about Jesus.

26 Pakistan

Pray for Zahoor, Director of Pakistani Christian Recording Ministries as he gives leadership to our ministry activities in Pakistan. In addition to his duties with PCRM, Zahoor supervises the production and airing of our Saraiki and Pashto radio broadcasts and directs outreach teams in their efforts to minister to each people group.

27 North America

Ask God to bless and guide efforts to promote and fund The Tide ministry as we adapt to new trends and seek balance between virtual and live events. Pray we can effectively strengthen current relations and inspire new people to join

The Tide ministry in telling people about Jesus.

28 Middle East

The Tide has partnered with Child Evangelism Fellowship to produce puppet show videos in the Arabic language. Pray for the salvation of children throughout the Middle East who learn the truth about Jesus in this engaging way.

29 Nigeria

Ask God to use our programs to encourage and strengthen believers who are persecuted for their faith. Pray that their peaceful response, along with the truth about Jesus being taught through the radio programs will combine to convict and convert their oppressors into committed disciples of Christ.

30 Mozambique

Pray for our partners in Mozambique as they take steps to formally register the radio ministry with the government. Ask God to guide them through the process and give them favor with the governing authorities so that the spread of the gospel is not hindered by arduous red tape.

31 Global

Pray for The Tide USA Board of Directors, The Gospel Tide Canada Board of Directors, and the boards and committees that oversee our partner ministries in each country. Pray also for all of our staff and volunteers, both domestically and internationally, as they work together in various capacities so that people may hear about Jesus in their own language.

2021 Prayer Guide

"Give heed to the voice of my cry, my King and my God, for to you I will pray." [Psalm 5:2, NKJV]

1 Persecuted Christians

Most (26) of The Tide heart language radio programs target people living in countries listed on the Open Doors World Watch List as places where persecution of Christians is extreme or very high. Ask God to protect listeners who choose to follow Jesus, and to prosper the efforts of our ministry partners in these regions.

2 Zimbabwe

Pray for the Amagugu Evangeli radio ministry staff and volunteers as they keep up with the demands of producing and distributing daily audio devotionals and weekly radio broadcasts while also meeting the needs of listeners who respond with their spiritual questions, prayer requests, and other pleas for assistance.

3 Kosovo

Praise God for the way he is using Pastor Jeton's radio messages to build relationships and plant new churches. Ask God to bless Pastor J's efforts to identify, disciple, train, and equip leadership for existing groups so that he can devote more time and energy to leading church planting teams into even more areas.

4 Tidal Waves

Oceanic tidal waves are regular, predictable, and measurable. Ask God to inspire more people to enroll in our *TIDAL WAVES* giving program so that we can continue to send out gospel radio waves to people in spiritual need.

5 India

Legislative changes in India have made it more complicated to get funding into the country for ministry activities. Pray for our partners in India as they comply with ongoing changes so they can continue receiving our support to shine the light of Christ in Hindu strongholds.

6 Nigeria

Ask God to give inspiration and insight to the radio pastors who share the gospel through our 11 different language radio programs in Nigeria where false doctrines and pagan religions are rife. Pray also for their teams that connect with and disciple radio listeners who accept the invitation to attend evangelistic campaigns.

7 The Tide Ambassadors

Pray for our volunteers who boost our efforts to share the gospel by serving as advocates for The Tide ministry in their local congregations by sharing information, mobilizing prayer support, and promoting fundraisers and events.

8 Thailand

Praise God for the unique connections being made with listeners of the Isaan language radio programs. Pray also for effective use of a newly recorded series of "Life's Answers" programs to disciple believers in what it

means to be the church and followers of Jesus.

9 Nepal

Only 1.3% of people in Nepal are Christians. Pray that more people will find hope in Christ through The Tide radio programs in this small nation where life can be very difficult due to economic hardships, frequent natural disasters such as flooding and earthquakes, and both religious and political tensions.

10 Albania

Based on the positive response to our Albanian language TV program we have committed to doubling the number of episodes this year and engaging a social media coordinator to help maintain connections with young people who are interacting online. Pray these efforts will lead many into a saving relationship with Jesus.

11 North America – Year Beard Challenge

As this unique challenge for men to put down their razors and grow a beard to raise support and awareness for The Tide ministry gains momentum, pray for these bearded men to be able to clearly share about The Tide ministry and boldly solicit donations when asked, "Why are you growing that beard?"!

12 Zimbabwe

Ask God to guide the search for a Director for Amagugu Evangeli to oversee current ministry outreach and effectively embrace opportunities to reach more people with media in additional languages, while also implementing the vision for the new studio to provide income generating services to help fund the ministry.

13 India

Our studio in India is kept busy producing radio programs in eleven languages to reach people throughout India, Nepal, and Bhutan. Pray for the radio pastors, musicians, and production staff, as they record and produce evangelistic radio programs and dramas in each language.

14 Nigeria

Ask God to provide the resources and expertise for our partners to make all our Nigerian gospel radio programs accessible in digital format so Nigerians can listen wherever they live through cell phones or internet connected devices.

15 Canada

Praise God for the generous contributions we receive from our ministry partners in Canada. Last year they paid for 48% of The Tide ministry broadcasting expenses for all our programs in India, Nepal, and Bhutan!

16 Kosovo

Ask God to protect listeners in Kosovo who face opposition when they put their faith in Jesus. Pray for the Holy Spirit to empower them to rise above the ethnic conflicts of the region and use them as agents of peace and reconciliation.

17 Pakistan

Praise God for the growing number of listeners responding to our Saraiki language program that began airing last year. Pray that our Pashto language program will make a similar impact among this extremely closed people group.

18 Nepal

Nepal officially declares religious freedom, but it is illegal to influence anyone to convert from one religion to another. Pray for pastors and ministry workers who risk arrest for following up with listeners who freely choose new life in Christ after hearing about Jesus through our Tharu and Nepali language radio broadcasts.

19 Diamond Vision

In celebration of our 75th Anniversary this year, we are launching The Tide Diamond Vision with strategies and goals to continue the momentum God has enabled. Throughout this year we will be elaborating on our vision to Amplify ministry, Magnify support, Solidify sustainability and infrastructure, Verify impact, and Glorify God.

20 Albania

There are large numbers of Albanians living in the countries that border Albania. Pastor K. has connected with listeners in Montenegro who hear The Tide program from the station in northern Albania. Ask God to grant success to our Albanian ministry partners as they have a vision to also reach into Macedonia.

21 Mozambique

Pray for the continued growth and development of this new Chichewa language radio program that was recently launched in Mozambique to share the gospel and teach Biblical truth in areas where illiteracy is very high.
